Report to the Selectmen of Winchester, N. H., on
the Installation of a New Accounting
System for the Town.

The selectmen carried out the vote of the town regarding the establishing of a system of accounting. Books for the keeping of the financial transactions of the town have been installed in the offices of the selectmen and town treasurer.

At the request of the finance committee, its records were also examined and a book prepared for the preserving of its records and the keeping of the accounts pertaining thereto.

The report made to the selectmen is printed herewith and the report to the finance committee has been placed on file and may be examined by anyone desiring to do so.

November 1, 1915.

To the Selectmen of the Town of Winchester, N. H.
Gentlemen:

In conformity with your instructions, we have

installed a system for recording the financial transactions of the town, we have audited the transactions for the year to September 9, 1915, and posted them to the new books.

After a careful study of the requirements of the town in the matter of a municipal accounting system, together with the facilities provided for the keeping of the books and records installed, it was deemed not only advisable but necessary that every technical accounting phrase be eliminated in so far as compatible with the principal elements of double-entry book-keeping. Under the conditions existing in the town of Winchester, it is clearly manifest that even the simplest municipal accounting system, on the accepted basis of Revenue and Expense, would be unnecessary and altogether inadvisable, entailing as it would, an expenditure for upkeep to an amount all out of proportion to the requisite needs of the town or the benefits to the town that would accrue thereunder.

By putting the system on a cash basis, recording only receipts and expenditures in detail, it was possible to provide a simple system that can be kept by laymen without confusion as to the objects of expenditures or the sources of revenue.

To open the books comprising the system installed, it was necessary to establish a correct financial position as of February 15, 1915, which is shown on the appended opening Balance Sheet. It will be observed that this differs materially from the closing Balance Sheet shown in the Annual Report for the year ending February 15, 1915. The differences are explained as follows:

ASSETS—

(a) Cash in bank to credit of Town Hall \$17.57.

It was found that this item, which is clearly town

cash, is carried on the books of the bank but is not mentioned in the town report. It appears to have been deposited by a former administration, and it is recommended that at the next town meeting authority be requested to turn it into the town treasury.

(b) Uncollected taxes, 1914, \$5,015.22. A careful examination of the books of the Collector of Taxes for the year 1914 discloses that this item was overstated by the difference shown. The Tax Collector's statement should not have been accepted as correct without careful examination and verification. It is evident that this book was not audited in more than a perfunctory manner, if at all.

(c) Library Committee, \$13.89. This item is shown in the report as an Account Receivable, but was not taken in the Assets at the close of the year.

(d) As Capital Assets, mention should be made of the buildings and equipment owned by the town, but it is not deemed advisable to attempt an appraisal of the actual value.

(e) The cash on hand to the credit of schools is clearly an asset of the town, although only applicable to schools. It has therefore been included in the Balance Sheet without other verification than that contained in the Statement of the Auditors of the Town.

(f) The report of the Finance Committee on Special and Trust Funds should be included in summary form both as an asset and an offsetting liability. These items are shown in the same amounts on both sides of the Balance Sheet and do not affect the financial status of the town at all. In this connection, attention is directed to the Tinker Library Fund, amounting to \$77.20, which is invested in a certificate of deposit in the bank and draws a smaller rate of interest than it would produce if some other investment were made with the amount. This item was not shown in the annual report in any form.

LIABILITIES—

(a) The account payable shown in the report of the Memorial Day Committee as \$9.51 was not included in the Balance Sheet as published. At the town meeting March 9, 1915, \$10 was appropriated to pay this account, and it is therefore assumed that the liability as published in the report was understated by 49 cents.

(b) The balance of the appropriation for Old Home Week was not limited to one year, and should therefore have been included as an unexpended balance at the end of the year.

In the matter of interest on Town Hall notes and Library notes, especial attention is directed to the practice which has existed for years of the Selectmen drawing orders for interest on the mere statement of the Treasurer that so much interest was due and had been paid. Under this administration, as in all former administrations, it was impossible for anyone to say what interest had been paid and how much was still due on existing debts, thus leaving open the door to possible peculations. We do not intend to presume that dishonesty has existed at any time, but in this particular phase of the town business the integrity of the citizens holding town notes, together with the honesty of the town officers alone prevented loss. We invite particular attention to the provision made whereby no order is to be drawn for interest on coupon notes unless such order is supported by the surrendered coupons covering the amount of the order. These coupons are to be immediately cancelled and permanently filed and retained as vouchers. It will thus be possible at any time in the future to ascertain the exact interest due and unpaid, thereby rendering impossible the presentation of a paid coupon.

At the close of a fiscal year it will be an easy matter to determine the amount of unpaid interest which should go into the closing Balance Sheet as a current liability, because the interest has accrued and is due and payable on demand. For all the years past no supported record exists of the interest that has been paid.

FINANCE COMMITTEE.

At the request of the Finance Committee, we have installed a separate and distinct system for their use and an independent report of this phase of the work has been made direct to them. This book will require no modification under the recent state law which directs that all trust funds shall be turned over to a Board of Trustees to be elected at the next town meeting.

RECOMMENDATIONS.

1. With regard to the unexpended balances of appropriations, it is suggested that all of those balances not required by law to be continued should revert to the town treasury at the close of the year and that they be not reappropriated at the forthcoming town meeting. The reason for this is that the continuance of these balances immediately sets up new liabilities without provision being made to meet those liabilities. As an illustration: At the last town meeting the deficit was increased by \$1,040.69 on account of the continuance of the unexpended balances of the appropriations for Interest on Notes and Street Lights, and the liabilities were reduced by \$1,510 in raising money and paying the Town Hall and Library Notes taken up, together with the payment of the account owing to the Memorial Day Committee. It

is thus apparent that the net result of these actions was the reduction of the liabilities of the town by less than \$500, although \$1,510 was raised and expended toward this end.

2. It is recommended that the Appropriation Committee, prior to the town meeting, make up an estimate of the funds required for the ensuing year based on the expenditures for the preceding year and that this detailed estimate be posted or published for the benefit of the voters in order to give time for thought, discussion, and intelligent voting on the objects sought to be accomplished by the administrative officers. Attention is directed to the practice during past years of making inadequate appropriations and in some cases of making no provision to meet the current expenses of the year, thus forcing the Selectmen to borrow the necessary funds to meet the current bills. It is recommended that this practice be discontinued and that the town raise by taxation each year sufficient money to pay the current expenses of that year, without drawing on the town treasury by reappropriating unexpended balances. If the working capital, or cash on hand, increases beyond the requisite needs, the surplus should be used to reduce the town debt, which by reducing interest payable would reduce by that amount the current expenses.

3. It is also recommended that the wording of the order blank of the Selectmen be changed to read

“Pay to the order of——”

in lieu of

“Pay to——or bearer.”

This order will then require an indorsement and will serve as a receipt and at the same time insure pay-

ment to the payee named. It is further recommended that the Treasurer's check bear the words "On account of Order No.——", and that these words also appear on the check stub, thus facilitating an easy comparison of the checks with the orders for which they are drawn. It is not necessary that the checks on hand be destroyed and others printed—a rubber stamp could be made and all blank checks converted into voucher checks by stamping on these words and inserting the number of the order when the check is drawn.

4. Finally it is recommended that the books be audited at the close of the year in a thorough manner, either by the auditors of the town or by some outside auditor and that sufficient money be authorized for this purpose. It is clearly evident that the town can not get a complete audit for the amount that has been paid for this work in the past. This work is a verification and certification of the transactions relating to the finances of the town, and the voters should pay for and demand accurate and complete work. It should include an audit of the books of all tax collectors who have reported uncollected taxes, because as taxes are the principal source of revenue, that source should be guarded just as zealously as the expenditures of the revenue.

In closing this report it is fitting that we express our appreciation of the courteous and cordial manner in which we were received by the various town officers. Finally, we wish to express the hope that you will consider it our duty to explain any phase of the work that has not been clearly covered, and to advise you in regard to any particular feature that may develop in the future.

Respectfully,

LESLIE GILLIS,
GUY V. NORWOOD.

- (1) Deposited by a former administration and carried by the bank in a distinct account.
- (2) The annual report for 1914 shows only \$9.51 due on this account, but as the town appropriated \$10.00 to pay the band for past services, it is evident that the liability was understated.
- (3) The title of this appropriation was changed to "Establishing new accounting system from February 15, 1915."

In conformity with the request of the State Tax Commission the cash in the hands of the Board of Education and Library Trustees is not included in the assets of the town. While the excess of liabilities over assets appears to have increased during the year, had the item been included as it was in the prior report, it would have shown a decrease in indebtedness of \$1,122.42 which in reality exists.

Library Report.

The trustees of the public library, in making this, their twenty-fourth annual report to the town, wish to state that no extensive repairs have been made during the year, the town, at the last meeting, not seeing fit to appropriate the amount of money necessary to repair the main entrance to the library. Such repairs are even more necessary this year.

In the early summer the delivery room and book stacks were thoroughly cleaned and the reading room was greatly improved by whitening the ceiling and re-dressing the wood work.

A number of new books have been placed on the shelves during the year, a few as gifts, the remainder purchased by the library. A similar addition will soon be made.

The reading room furnishes a very fine list of periodicals which seem to be much appreciated by the public.

Respectfully submitted by the Trustees,

G. W. PEIRCE,

Report of Superintendent of Schools

To the Board of Education, Winchester, N. H.

I have the honor to submit my fourth annual report of the Winchester public schools. The statistics are for the year ending July 15, 1915 and for the fall term ending December 17, 1915.

Your schools are in charge of a body of teachers strong in power to discipline, to interest, and to instruct. They are sympathetic and earnest and are interested in the welfare of every child. With competent teachers improving by experience and study, the educational problems of our schools are met as they come each year, each month or each day, as may be, with encouraging success.

Lest it may appear that the schools are organized purely for mental training it may be well to suggest that no pupil can attend a good school for a period of years and not thereby receive a valuable training in character building. School attendance requires regularity and punctuality. The school discipline inculcates respect for authority and obedience, while the influence of the conscientious teacher, sympathetic but firm, is a potent influence in establishing habits of good conduct.

Since the last report the following resignations were received: Miss Edna W. Mann, Miss Marie A.

Bergeron, Mrs. Bessie H. Buchanan, Miss Marjorie Read, Miss Anna Eaves, Miss Velma Barker and Miss Josephine A. Murray.

The vacant positions were filled by the election of: Miss Ruth Hiatt, a graduate of the commercial department of the Salem (Mass.) Normal School; Miss Laura Smith, a graduate of Brown University; Miss Elsie M. Frye, of East Jaffrey, a graduate of the Fitchburg normal school; Miss Harriette E. Perkins, a graduate of the Watertown (Mass.) high school; Miss Ruth I. Parsons of Gloucester, Mass., a graduate of the Salem normal school; Miss Elizabeth A. Smith of Hinsdale with training at the Keene Normal summer school; and Vera H. Symonds of Braintree, Mass., a Bridgewater (Mass.) normal graduate.

Miss Annie E. Watson has been transferred from the district school, No. 10, to the village primary school. The school at District No. 5 has been closed since June for lack of sufficient pupils. The average attendance for the winter term was 3.15, for the whole year, 5.03.

The whole number of different pupils for the school year was 416, 220 boys and 196 girls. Of these 49 (23 boys and 26 girls) attended the high school. The average membership was 355.26, the average attendance was 340.25. The per cent of attendance was 95.77.

Current Events.

There is an increasing recognition of the fact that a really intelligent person in these days has no excuse for failure to be conversant with the world's work. Many of our schools receive the weekly budget of news as set forth in "Current Events," and the children look forward with interest to the hour when the items of news are read and discussed and the places located on the map.

Reading.

During the last three years our list of reading books has increased from a supply of two books to a grade, as fast as funds have been available for the purpose, but the list is yet far from sufficient for the

needs of the various grades. There are several problems involved in the teaching of reading. First how best to direct the efforts of the beginners; second, how to increase the pupil's vocabulary and comprehension of the printed page; third, how to read with pleasing and effective expression. A good method of teaching reading to beginners will be simple. An intelligent child does not require an elaborate method. The highly elaborated methods of instruction are for mentally deficient children. A good system will give all pupils plenty of practice in reading. The solution of the second problem is best reached by reading widely in well selected and graded books. The time has long passed when the pupil reads only one or two books in a grade. Many pupils now read twenty-five or more books in a year. Indeed last year one of our third grade pupils read more than eighty books.

No formal rules of elocution will avail to solve the third problem where there is lack of feeling for and comprehension of the thoughts to be expressed. An increased allowance for books should be made in order that the imperative needs in this direction may be supplied. I therefore recommend that the allowance for books and supplies be increased from \$500 to \$600.

School Buildings.

The matter of a new school building at the Centre will undoubtedly receive full consideration at the district meeting. I wish to remind the Board that the rural school buildings are all in great need of minor repairs. Ceilings, walls, woodwork and floors need attention. Soap and water, whitewash, paint and floor oil are needed in every one of the buildings. I am of the opinion that an appropriation of \$200 for

two successive years would be sufficient to put these buildings into proper condition. Not the least of the needs is the putting of the toilets into tolerable sanitary condition.

The large number of pupils in grades 1 and 2 in the village made necessary the employment of an additional teacher and the provision of an additional room. The Board was fortunate in securing near-by in the Coxeter block a comfortable and commodious room which has proved very satisfactory for our needs. A play room is connected which accommodates the children when the weather is too inclement for out-of-door games.

Respectfully submitted,

ANDREW P. AVERILL.

CHESHIRE, SS.

*To the inhabitants of the School District of
Winchester qualified to vote in district affairs.*

Greeting:

You are hereby notified to meet at the town hall in said district on Saturday, March 18th, 1916 at one-thirty o'clock in the afternoon to act on the following subjects:

ART. 1—To choose a moderator for the ensuing year.

ART. 2—To choose a clerk for the ensuing year.

ART. 3—To choose a treasurer for the ensuing year.

ART. 4—To elect a member of the Board of Education to serve for three years.

ART. 5—To hear reports of agents, auditors or committees heretofore chosen, and pass any vote in relation thereto.

ART. 6—To choose agents, auditors or committees relating to any article embraced in this warrant.

ART. 7—To see how much money the district will

vote to raise for the support of schools for the ensuing year.

ART. 8—To see how much money the district will vote to raise for the purchase of text books and supplies for the ensuing year.

ART. 9—To see how much money the district will vote to raise for the repair of schoolhouses the ensuing year or act thereon.

ART. 10—To see if the district will instruct the Board of Education to hire a janitor for the schoolhouse in old district No. 3 and prescribe his duties, raise money therefor or act thereon.

ART. 11—To see if the district will vote to instruct the Board of Education to furnish conveyance for the scholars of the village of Ashuelot attending the High School, raise money therefor or act thereon.

ART. 12—To see how much money the district will vote to raise for the transportation of scholars, or act thereon.

ART. 13 To see if the district will vote to build and furnish a new High and Grade School building, including a building lot, necessary grading in connection therewith, in Winchester village, appointing a committee to have charge of the same; the necessary expense thereof to be paid from funds left the town by will of Julia B. Thayer; the special fund of \$8,000.00 and its accumulations to be used only toward the construction of the High School part of such building.

ART. 14—To transact any other business that may legally come before said meeting.

Given under our hands and seal this second day
of March, 1916.

I hereby certify that the foregoing transcript of marriages, births and deaths is correct, according to the best of my knowledge and belief.

HOSEA W. BRIGHAM, Town Clerk.

STATE OF NEW HAMPSHIRE.

[L. S.]

CHSHIR, S S.

To the inhabitants of the Town of Winchester qualified to vote in town affairs:

You are hereby notified to meet at the town hall in said Winchester on Tuesday, the 14th day of March next, at 9 o'clock in the forenoon to act upon the following subjects:

ARTICLE 1—To receive reports of the selectmen, town treasurer, and other town officers, including agents and committees, and act thereon.

ART. 2—To choose all necessary town officers for the ensuing year.

ART. 3—To choose three trustees, one for one year, one for two years and one for three years, as required by Chapter 162, Section 2 of the Laws of 1915.

ART. 4—To see how much money the town will vote to raise for ordinary town charges for the ensuing year.

ART. 5—To see how much money the town will vote to raise to pay town officers the ensuing year.

ART. 6—To see how much money the town will vote to raise for support of poor the ensuing year, or act thereon.

ART. 7—To see how much money the town will vote to raise to keep the roads in repair the ensuing year, or act thereon.

ART. 8—To see if the town will vote to raise and appropriate the sum of \$1,575.00 for the maintenance of the Trunk Line road, or act thereon.

ART. 9—To see if the town will vote to raise the sum of \$1,350.00 to build a portion of the West Side Trunk Line, or act thereon.

ART. 19—To see if the town will vote to apply for state aid for highway purposes, or act thereon.

ART. 11—To see what action the town will vote to take in regard to building a bridge near the post-office in the place of the one now there, raise money therefor or act anything thereon.

ART. 12 To see how much money the town will vote to raise for the construction of sidewalks in the villages of Winchester and Ashuelot the ensuing year, or act thereon.

ART. 13 To see how much money the town will vote to raise for support of the fire department the ensuing year, or act thereon.

ART. 14—To see if the town will vote to pay the firemen anything in excess of the amount allowed by law.

ART. 15—To see if the town will vote to grant the fire department the same privilege in regard to the free use of the town hall as was granted last year,

ART. 16—To see if the town will vote to concrete the space between the steamer house and sidewalk, raise money therefor, or act thereon.

ART. 17—To see if the town will vote to lay an eight inch iron pipe for fire purposes from the New England Box Co. fire pumps to a point near the Howard Box Shop, then going south to corner Main and Parker street, then going east to point near Union street, raise money therefor, or act thereon.

ART. 18—To see if the town will vote to raise the sum of fifty dollars to purchase a smoke protector, and a cellar nozzle to be used in the fire department, or act thereon.

ART. 19—To see if the town will vote to purchase 500 feet of hose for the hydrant system at lower Ashuelot, raise money therefor or act thereon.

ART. 20—To see if the town will vote to purchase a motor truck to be used for town purposes, raise money therefor, or act thereon.

ART. 21—To see if the town will vote to discontinue the dumping ground near the old mill dam, or act thereon.

ART. 22—To see how much money the town will vote to raise for care of cemeteries for the ensuing year, or act thereon.

ART. 23—To see if the town will vote to instruct the Cemetery Committee that, when that part of the cemetery which has lately been prepared for occupancy is laid out into lots, it be done under the direction of a landscape gardener, and that a blue print be made showing the avenues, roads, lots, and number of the lot, the same to be kept in the town clerk's office. That the town clerk shall keep a record of the

names of all persons selecting lots, in a book used expressly for that purpose, raise money therefor or act anything thereon.

ART. 24—To see how much money the town will vote to raise for care and improvement of Musterfield the ensuing year, or act thereon.

ART. 25—To see how much money the town will vote to raise for the observance of Old Home Week, or act thereon.

ART. 26—To see if the town will vote to raise the sum of nineteen hundred dollars (\$1,900.00) to pay interest on notes, both funded and temporary loans, the ensuing year, or act thereon.

ART. 27—To see how much money the town will vote to pay on town debt, or act anything thereon.

ART. 28—To see how much money the town will vote to raise for support and care of the public library the ensuing year, or act thereon.

ART. 29—To see how much money the town will vote to raise for care of the town hall the ensuing year, or act thereon.

ART. 30—To see how much money the town will vote to raise for care of common the ensuing year, or act thereon.

ART. 31—To see how much money the town will vote to raise for Memorial day the ensuing year, or act thereon.

ART. 32—To see if the town will vote to raise the sum of \$1,575 for street lights the ensuing year, or act thereon.

ART. 33—To see if the town will vote to raise and appropriate a sum of money to pay for the care of the citizens' clock the ensuing year, or act thereon.

ART. 34—To see if the town will vote to raise money and pay Mrs. Alma I. Pickett the sum of twenty dollars (\$20.00) being the amount due E. L. R. Pickett at the time of his death, for the care of the public clock for the year 1914, or act anything in relation hereto.

ART. 35—To see if the town will vote to have the town property insured against loss by fire, raise money therefor, or act thereon.

ART. 36 To see what action the town will take relative to having the history of Winchester written, raise money therefor or act anything thereon.

ART. 37—To see if the town will vote to appoint one or more liquor agents the ensuing year, or act thereon.

ART. 38—To see what disposition the town will vote to make of \$17.57 now on deposit in the Winchester National Bank to the credit of town hall.

ART. 39—To see what action the town will vote to take in regard to eliminating the grade crossing near Westport, raise money therefor or act anything thereon.

Given under our hands and seal this twenty-eighth day of February, A. D. 1916.
